

FOOD, SHELTER AND A FUTURE

Help us make the holiday season a season of joy at Urban Ministries of Durham!

Each year, we host a holiday party & provide top gift requests for adult residents. There are about 150 people residing in our shelter. If we can obtain the amounts detailed below of each item on our list, then each adult can choose one from each category!

Your support of the men & women of the shelter will make this holiday a holiday to remember.

Will you lend your support by purchasing special gifts (new & unwrapped)?
